

The background is a dark blue gradient with various white and light blue silhouettes and graphics. On the left, there is a tree silhouette. In the center, a person is walking with a dog. To the right, there are silhouettes of buildings and a circular graphic. The overall theme is urban environment and data visualization.

AIRQUIP MEETING 20.4.2017 EXAMPLES FOR USE OF AQ MODELLING AND MAPS

Susanne Lützenkirchen

City of Oslo - Agency for Urban Environment

FORECASTING

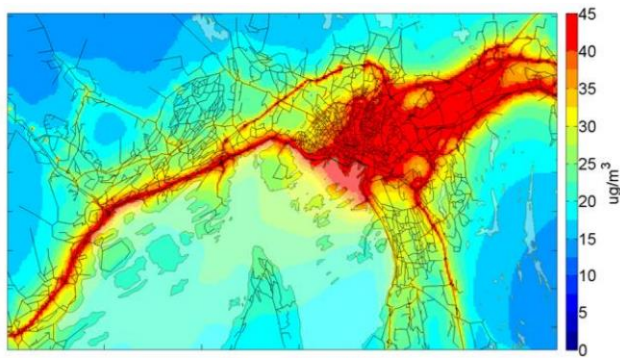

ABATEMENT MEASURES

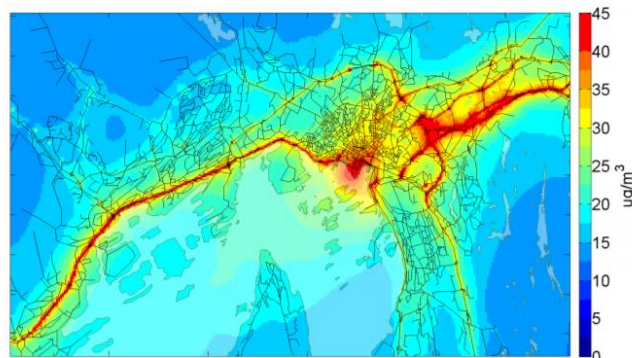

Plan for abatement measure under revisjon now

Modelling av measures individually

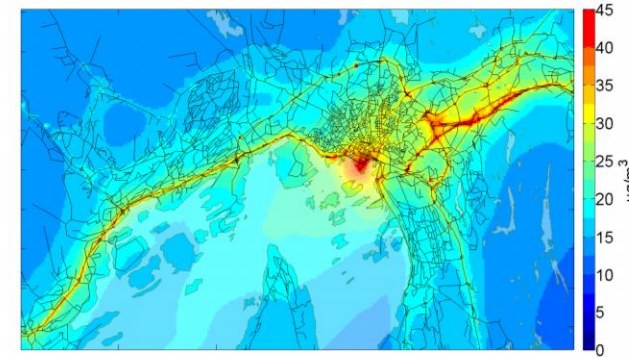

a) Dagens situasjon (2013)

Today

b) Referansesituasjonen 2020

business as usual

b) Situasjonen i 2020 med tiltakspakke

with measures

URBAN PLANNING

Sones defined with respect to health impact

General status map for the whole city

➤ more detailed modelling for certain areas and planning alternatives is carried out in polluted areas
