

# CityZen

megaCITY - Zoom for the Environment

Collaborative Project

*7th Framework Programme for Research and Technological Development*

**Cooperation, Theme 6:**

**Environment (including Climate Change)**

Grant Agreement No.: 212095

## Deliverable D4.6.1, type O

**Collaborative dissemination with MEGAPOLI on website after joint session at EGU general assembly**

Due date of deliverable: project month 26

Actual submission date: project month 28

Start date of project: 1 September 2008

Duration: 36 months

Name of lead beneficiary for this deliverable:

met.no

Scientist(s) responsible for this deliverable:

Michael Gauss, Alexander Mahura

Project co-funded by the European Commission within the Seventh Framework Programme (2007-2013)		
Dissemination Level		
<b>PU</b>	Public	X
<b>PP</b>	Restricted to other programme participants (including the Commission Services)	
<b>RE</b>	Restricted to a group specified by the consortium (including the Commission Services)	
<b>CO</b>	Confidential, only for members of the consortium (including the Commission Services)	

## **Collaborative dissemination with MEGAPOLI on website after joint session at EGU general assembly**

The joint website for dissemination together with MEGAPOLI was already established end of 2010, but this short report has been provided in February 2011. Rather than spending resources on a new web domain it was decided by the MEGAPOLI and CityZen managements to implement the website for joint dissemination at the project web spaces. The idea was that two web sites with identical content should be created, clearly visible, both at the MEGAPOLI and CityZen websites.

At the MEGAPOLI website the page is easily accessible from the menu item “Joint activities with CityZen”. The corresponding webpage “Joint activities with MEGAPOLI” at the CityZen website is located at [https://wiki.met.no/cityzen/joint\\_activities\\_with\\_megapoli](https://wiki.met.no/cityzen/joint_activities_with_megapoli). Currently it contains all available documentation for the following events:

- 3-8 April 2011 – AS3.6 Special joint MEGAPOLI, CityZen, and MILAGRO session to be organized at the European Geosciences Union ([EGU-2011](#)) Annual General Assembly, followed by a joint splinter meeting between the three megacity projects
- 3-4 May 2010 – participation of the MEGAPOLI & CityZen partners and collaborators in the European Geosciences Union ([EGU-2010](#)) Annual General Assembly (2-7 May 2010, Vienna, Austria)
- 24-26 Feb 2010 – [End-User Workshop](#) “Mesoscale modelling for air pollution applications - achievements and challenges” at WMO in Geneva, Switzerland
- 19-24 Apr 2009 – participation of the MEGAPOLI & CityZen partners and collaborators in the European Geosciences Union ([EGU-2009](#)) Annual General Assembly (19-24 Apr 2009, Vienna, Austria)
- 24-27 Mar 2009 – 7th International Conference on Air Quality - Science and Application (Istanbul, Turkey; <http://www.airqualityconference.org>)
- 7 Jan 2009 – MEGAPOLI & CityZen Sister Project Telephone Conference (participated 7 persons)

Figure 1 shows a snapshot of the current appearance of the page. This web page is updated continuously. Upcoming events such as the joint session at the EGU General Assembly will be documented. Also, future common publications will be found here.

## MEGAPOLI & CityZen Joint Events / Meetings

**3-8 April 2011 – AS3.6 Special joint MEGAPOLI, CityZen, and MILAGRO session to be organized at the European Geosciences Union (EGU-2011 [<http://meetings.copernicus.org/egu2010/1>]) Annual General Assembly, followed by a joint splinter meeting between the three megacity projects**

- AS3.6 [<http://meetingorganizer.copernicus.org/EGU2011/session/6392>] convened by M. Gauss, L.T. Molina and A. Baklanov (66 abstracts submitted)
- Splinter meeting convened by A. Baklanov and M. Gauss; presentations and minutes from that meeting will be available on this page
- Dates and session schedule to be decided soon

**3-4 May 2010 – participation of the MEGAPOLI & CityZen partners and collaborators in the European Geosciences Union (EGU-2010 [<http://meetings.copernicus.org/egu2010/1>]) Annual General Assembly (2-7 May 2010, Vienna, Austria)**

- 3 May 2010 – AS3.7 Special Joint MILAGRO, CityZen, and MEGAPOLI session "Megacities: Air Quality and Climate Impacts from Local to Global Scales" [<http://meetingorganizer.copernicus.org/EGU2010/session/1860>] (about 80 oral and poster presentations were submitted), Convener: L.T. Molina, Co-Conveners: M. Gauss, A. Baklanov
- 4 May 2010 – Joint splinter meeting [<http://meetingorganizer.copernicus.org/EGU2010/session/3782>] of the MEGAPOLI, CityZen and MILAGRO projects ( Introduction - by Michael Gauss, status and progress on projects - MEGAPOLI - by Alexander Baklanov, MILAGRO - by Luisa Molina, CityZen - by Michael Gauss; and followed discussions led by Mark Lawrence and Michael Gauss; summary notes of the meeting - by Alexander Mahura); Attendees: 43 persons (MEGAPOLI: 16; CityZen: 16; MILAGRO: 7; other projects: 4) from 13 countries (Germany, Italy, Czech Republic, USA, Mexico, Singapore, The Netherlands, France, Russia, UK, China, Norway, and Denmark) from 27 research organizations/ institutions ( list of participants)

**24-26 Feb 2010 – End-User Workshop [<http://www.cost728.org/FinalWorkshop.htm>] "Mesoscale modelling for air pollution applications - achievements and challenges" at WMO in Geneva, Switzerland**

- organized together with WMO, GURME, COST-728 and MEGAPOLI in cooperation with CityZen, COST-ES602, ACCENT, and MACC Projects (materials are placed at internal websites)

**19-24 Apr 2009 – participation of the MEGAPOLI & CityZen partners and collaborators in the European Geosciences Union (EGU-2009 [<http://meetings.copernicus.org/egu2009/1>]) Annual General Assembly (19-24 Apr 2009, Vienna, Austria)**

- 20 Apr 2009 – 08.30-19.30 : AS3.8 Special Session [<http://meetingorganizer.copernicus.org/EGU2009/session/247>] on "Megacity Impacts on Regional and Global Scales" (in total 17 oral and 45 poster presentations were presented - divided into 3 oral and 2 poster sessions)
- 21 Apr 2009 – 10.30-12.00 : Joint splinter meeting [[http://meetingorganizer.copernicus.org/EGU2009/oral\\_programme/1704](http://meetingorganizer.copernicus.org/EGU2009/oral_programme/1704)] with the MEGAPOLI-CityZen projects participants; discussions on IGAC-sponsored "Assessment on Impacts of Mega-cities on Air Quality and Climate: Outline and Activities" (chapter on "Past and Current \* Research Activities on Atmospheric Chemistry in Mega-cities in Europe") and
- Summary memo-notes including list of participants, summary of presentations; details of discussions - summarized by Alexander Mahura (DMI Team)
- presentations: Michael Gauss (met.no) – Introduction to the Meeting; Alexander Baklanov (DMI) – Introduction of the MEGAPOLI Project; Michael Gauss (met.no) – Introduction of the CityZen Project
- 24 Apr 2009 – discussions on joint session with contributions from the MEGAPOLI, CityZen, and MILAGRO projects; session is scheduled for the EGU-2010 Annual Meeting (May 2010, Vienna, Austria) - with presentations by continents (e.g. Europe, America, Asia, and other); a 2nd splinter meeting between the MEGAPOLI and CityZen projects will be organized as well.

**24-27 Mar 2009 – 7th International Conference on Air Quality - Science and Application (Istanbul, Turkey; <http://www.airqualityconference.org>)**

- The relevant presentations were given at the "Air Quality and Climate/ Meteorology Interactions and Feedbacks" special session organized in cooperation with the EUCAARI, MEGAPOLI, CityZen, COST-728 and other projects.

**7 Jan 2009 – MEGAPOLI & CityZen Sister Project Telephone Conference (participated 7 persons)**

- The meeting included (notes are available [here](#)) discussions on identification of collaboration between the 2 projects; differences and overlaps; IGAC assessment; Establishing links to each other's web sites; Emission inventories; Coordinated model studies; Exchange of measurement data; Common database at NILU; Exchange and use of each other's mailing lists; Future conferences, where MEGAPOLI and CityZen should meet; Action items; Research questions of MEGAPOLI and CityZen.

FP7 EC MEGAPOLI & CityZen, 2008-2011
